## Super Heavy Duty AA Battery 4-Foil R6SHD4F/00

High-end batteries for low-power devices

Suitable for flashlights, tape recorders, toys, radios...

6x longer than zinc batteries

Mercury and cadmium free

Electrolyte leakage protection

Ensures long-term operation of the device

Not recommended for high drain devices, digital cameras, CD players, MP3 players, etc

Specification

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
